

A group of paramedics in white uniforms are gathered around a mannequin lying on a stretcher. They are focused on providing medical care, with one paramedic using a tool on the mannequin's chest. The scene is set in a training room with a wooden floor.

# Paramedic

After training you will have the following:

American Heart Association (AHA) –  
Advanced Cardiac Life Support (ACLS) and  
Pediatric Advanced Life Support (PALS)

National Association of Emergency Medical Technicians (NAEMT) –  
Pre-Hospital Trauma Life Support (PHTLS)

Advanced Medical Life Support (AMLS)

The Paramedic student will experience training that entails didactic experience and a vigorous and stringent clinical program that will produce a pre-hospital caregiver that will meet the demands of society. According to the U.S. Bureau of Labor Statistics, in May 2022, the average wage in western South Dakota was \$47,640.

## Why Western Dakota Technical College?

We deliver a personal, career-oriented education ideal for the student pursuing a meaningful profession and prideful future. Faculty, staff, and administration are committed to teaching the knowledge, skills, and behaviors students need to be successful.
