Disclaimer and Signature

If you are or have been convicted, pleaded guilty or no contest to, or received a suspended imposition of sentence for a felony or certain misdemeanors, you are advised that you may not be able to complete all course requirements for your chosen program, you may be prevented from taking required certification/licensure examinations in your chosen program field, and you may be prevented from gaining employment in your program field.

Clinicals, practicums, and internships may include, but are not limited to, differential shifts (evenings, nights, weekends, and holidays) to meet industry expectations. This may require travel outside the Rapid City Area.

Any of the following MAY prevent an applicant's acceptance into the RN program:

- History of discipline on a Board of Nursing issued license or certificate.
- Current enrollment in the Health Professional Assistance Program (HPAP), in South Dakota or similar programs in other states
 - If currently enrolled, applicant must submit a signed release for the Program Director to discuss status with HPAP
- Course history of repeating more than one science prerequisite
- Course history of repeating more than one previous nursing course
- History of attending more than two previous nursing programs

All admissions will be decided on an individual basis by the Registered Nursing Admissions Committee.
